# LEVEL + PRICING SYSTEM

Head to Toe Day Spa and Salon operates on a level system where our employees receive promotions based on meeting customer service objectives and the demand of their time. All of services providers are very talented and promise to deliver an outstanding guest experience each time you come in. Their pay and benefits improve at every level, which is why pricing starts at a base price and may increase based on our level system.

### **Resurfacing Treatment** | \$85

\*Our estheticians are available to perform some medical services under the direction of the medical facility.

# HYDROTHERAPY

*50 minute sessions allow for the use of both bath and shower services;  
30 minute sessions allow for only one or other.*

**Bath | \$75 [30 min], \$125 [50 min]**

Our bath allows for all of the experiences below.

## **Hydrotherapy Massage**

Powerful air jets, located at the base of the tub, deliver a therapeutic acupuncture-based massage triggering a chain of physiological reactions from head to toe, reducing tension, relaxing muscles, combatting stress & eliminating toxins.

## **Chromatherapy**

A scientifically proven technique, chromatherapy has a direct effect on one's physical and psychological condition. Color through its vibrations can calm, energize or focus your thoughts.

## **Aromatherapy**

Using essential oils extracted from flowers, bark or leaves to enhance physical & psychological well-being. Aromatherapy is an integral part of the VEDANA® Care Unit, & a beneficial option with all baths. Distilled & diffused essential oils enter the bather's respiratory system, reaching the circulatory & lymphatic systems, where they interact with cells to promote healing. Can reduce stress levels & anxiety, and bolster your immune system.

## **Thermotherapy**

The therapeutic use of heat; helps relax the body & promote healing. BainUltra's WarmTouchShell® technology features 3 heating zones built into the bath's inner shell. These heating zones transmit & circulate continuous heat to the headrest, backrest & seat. They touch & warm the body's most sensitive areas to provide a feeling of relaxation.

# HYDROTHERAPY

*50 minute sessions allow for the use of both bath and shower services;  
30 minute sessions allow for only one or other.*

## **Healing w/ Water Shower Experience | \$75 [30 min], \$125 [50 min]**

Our shower allows for all of the experiences below.

### **Kneipp Handheld Shower Affusion**

“Water cures” using hot, cold, & contrasting hot & cold applications through affusions, baths, foot baths, & washing. Regularly applied, these treatments can help to bring balance to everyday life: recharging, reducing stress & reviving. The contrasting hot & cold water through affusions, also known as Kneipping, is unique to Kneipp therapy & effective at stimulating blood flow, increasing metabolism, & boosting the immune system.

### **Facial Affusions**

A refreshing treatment using Dornbracht’s AFFUSION PIPE. This treatment works to stimulate circulation & firms the skin. The cold facial affusion is ideal as a quick fix if tired, having a tension headache, or if developing a migraine. It also has a calming effect.

### **Arm Affusions**

Provides an invigorating start to the day or boosts energy. When performed with the Dornbracht AFFUSION PIPE, blood circulation is activated & promotes concentration. Applied regularly, they can also boost the immune system & benefit those who suffer from low blood pressure.

### **Leg Affusions**

Beneficial for relaxation after a demanding day. Firms skin, lowers blood pressure, & encourages deep, restful sleep. With regular applications, which can be easily integrated in a daily shower routine using the Dornbracht WATER TUBE, the cold leg affusion can boost the body’s natural defenses & immune system. It also speeds up metabolism & prevents vein problems, such as spider & varicose veins.

### **Swiss Shower**

5 massaging shower heads delivering an invigorating force of water to soothe the muscles and initiate circulation.

### **Rain Shower and Pour**

Delivers a silent voluminous stream of water from an overhead shower over the body without loss of heat and without splash.
